Dear Ladies,

On Thursday April 28, Women's Forum will debut a new discussion-based program, AFTERNOON TEA, with a guest speaker. Author and New York Times writer, Barbara Gilford will present her book HEARTSONGS: A HOLOCAUST MEMOIR, and the story that inspired it. Ms. Gilford will then conduct a Q&A discussion and will be signing books available for purchase.

Of special note, April 28, 2022, is HOLOCAUST REMEMBRANCE DAY.

This will be a live event at the library. To register go to the Home Page of this website under "Library Programs."
