

# WOMEN'S FORUM

## *Sharing Wisdom*

Dear Ladies,

The month of hearts and flowers and *LOVE* is upon us! February's Women's Forum events will be honoring two smart, talented and powerful women, each of which challenged the prevailing "system" and made her mark. Our Valentines for 2023 will be the artists Berthe Morisot and Lena Horne, masters of their realm, leaving behind a proud legacy!

We open with a Luncheon on Thursday February 2, at noon with guest lecturer, expert art historian and WF favorite, Mike Norris and his presentation on Impressionist artist, Berthe Morisot. Mike always makes Art History relatable, educational and fun!

For the second event of the month, Luncheon on Thursday February 16 at noon, we commemorate

BLACK HISTORY MONTH with a tribute to the

one and only super fabulous. thespian and diva  
Lena Horne!

Luncheon admission: 20.
