## *Sharing Wisdom*

Dear Ladies,

By the time you receive this we'll be into July, mid-Summer 2025. We usually have a "Summer Movie Festival" over the warm months as a break from serious culture and history and a focus on just plain fun.

This year with our upcoming trip to the great 1940's exhibit at the Philadelphia Museum and the documentary luncheon preceding it, we didn't get to have our July movie fun. However, for our one August event (meeting just once) we've got a goodie to make up for it!

I recently saw the very funny, well lauded and Tony awarded Broadway show *Death Becomes Her*. It was terrific, a LOT of laughs. I was reminded of the original iteration of this quirky story (sans music) which was a feature film starring some of the greatest greats of the Baby Boomer Hollywood generation - Meryl Streep, Goldie Hawn, Isabella Rossellini and Bruce Willis! The best part (for me) is that the wacky theme of this story is timely and should inspire some good discussion afterward. I hope you'll agree!!

SUMMER MOVIE LUNCHEON: Thursday August 14, at

noon, Dillon Library, Bedminster NJ. Admission 20. To register please contact us at [womensforumusa@gmail.com](mailto:womensforumusa@gmail.com) or call the Dillon Library at (908) 234-2325.
