Dear Ladies,

Why Hamilton?

As we continue our way through the calendar of this most auspicious anniversary year, we come to a man who was/is truly larger than life - Founding Father turned "Rock Star" Alexander Hamilton. Immortalized by his brilliant role in American History, this extraordinary and complicated man has now gone on to celebrity A-list status with a record breaking telling of his story on Broadway. To the tune of hip-hop and the talent of wunderkind Lin Manuel Miranda (who started writing his first B'way hit *In the Heights* at age 19). “Broadway Hamilton's” story has reached a demographic who had little or no interest in our earliest days as a nation - the kids! Hearing my grandkids rapping through songs from the musical, opened opportunities for conversation not there before. Bravo!! to Lin Manuel for this and to our "cool" Founding Father, Alexander Hamilton!!

Knowing how much we at WF have come to enjoy

accounts of the exceptional men and women of history, Alexander Hamilton's remarkable saga tells us of one man's potential for greatness against all odds – and how he got there.

On April 9, we take up our journey back in time with a documentary of his life from its unusual start to its bizarre and untimely end and all the wonder in between.

HAMILTON LUNCHEON: Thursday April 9, 2026 at noon. Dillon Library, Bedminster NJ. Admission 20.*

And now onto Broadway. The musical is breathtaking. Just listening to the vibrant poetry of the rap through which the story is told is fascinating. Along with being chosen as General Washington's aide-de-camp in the Revolutionary War, another of the high points of Hamilton's career was his marriage to Eliza Schuyler, thereby gaining entry into the socially prominent Schuyler family.

For our program on April 23rd, popular lecturer Rick Feingold will tell the Hamilton & the Schuyler Sisters story through the words and music of the

play.

SCHUYLER SISTERS LUNCHEON: Thursday, April 23 at noon. Dillon Library, Bedminster NJ. Admission 20.*

Wishing you a lovely start to Spring. Hopefully coming soon!
