November 2026

Tally-ho My Darlings!

On the beautiful and bountiful month of November, WF welcomes one of our favorite lecturers, Barry Thomson, as he pays a call to tell us about a *local* American Icon - *The History of the Essex Fox Hounds*. Many of us have had the opportunity over the ys of attending The Hunt or or other such regional festivities over the years where the hounds are vital to the sport or a charming addition to the half-time program. Barry with his usual style and impressive knowledge will bring this historical tradition home to us!

For fun and as a little homage to our local equine culture, shall we dress with a touch of ~*le style equestre*~ for the occasion?

LUNCH WITH BARRY AND THE HOUNDS: Thursday November 5, at noon. Dillon Library, Bedminster, NJ. Admission 30. To register see below.

We've had a rich year of learning more about our American Revolutionary History and timeless American Icons. Our November trip will take us to an American Icon with its own *American Wing*! Lest we become blase' about it because of our proximity and easy access due to the wonderful Dillon program of trips, let us proudly remember that *our* Metropolitan Museum of Art is a *World Renowned American Icon*.

The American Wing of the Metropolitan Museum of Art is the home of
